

Corporate Actuarial Intern

Overview of the Internship

You will be joining the Corporate Actuarial team, with the opportunity to assist in a broad range of actuarial work from valuation, modelling, to projects such as business plan and IFRS17.

This is a great opportunity to hone your skills in actuarial analysis and in presenting results that can have an impact to the company.

Description

Duties

1. Assist in setting up actuarial valuation spreadsheets and Tyche model runs
2. Assist in reporting process refinements including data validation, consistency check etc.
3. Assist in valuation movement analysis and explanation of results
4. Other ad-hoc projects and tasks

What we are looking for:

- Actuarial Science students (we are unable to accept applications from final year students)
- Proficient user of MS Excel and familiar with VBA or SQL
- Good demonstration of extra-curricular activities
- Strong grades on Academic Transcript
- An inquisitive mindset and ability to formulate your own opinions and views

To apply, or for more information please contact: David.brian@pacificlifere.com
