

Aon Internship Experience 2021: Determine Your Career Direction For Tomorrow

The **Aon Internship Experience Programme (AIEP)** offers a perspective of the working world, with mentorship by an assigned supervisor, lunch & learn knowledge sessions, networking events, and a high level of interaction across Aon's solution lines. You will also benefit from real-world experience through opportunities to work on projects as well as participate in client meetings. And with the wide range of available expertise at Aon, you can maximise your time with us by discovering your areas of strength and interest.

Work With The Best

Undergraduates in their first or second year of university will also have the opportunity to participate in the **Aon Work Experience (AWE)** programme, where they will gain valuable work experience while supporting current projects in the pipeline. Participants who demonstrate high potential may be recommended to the next intake of the AIEP.
